

The Meaning Of Namaste':

In India, there is a greeting that is used when meeting or departing another's company....

It is "Namaste". This loosely, but eloquently translates as

"I honor the place in you which the entire Universe dwells.

I honor the place in you which is.....Love, Truth, Light, and... Peace.

When you are in that place in you....

And I am in that place in me,....

We are.....

ONE !!

**Let us each strive to be in that consciousness each moment.
Let us honor each other's lessons, learning, paths.... Let us walk together
on the Reiki path in re-discovering who we are in the mind of the,**

All That Is.
